I see too many business owners doing things the hard way and I'm on a mission to fix that.

## THE BACK STORY...

Jon Hollenberg's passion is helping with small and medium businesses and business owners to thrive.

Since starting his own business in 2006 he's built an international team of 22 that serves businesses throughout Australia, providing quality website design and support services.

Jon is a past graduate of the Dent Global Key Person of Influence (KPI) program and regularly mentors business owners, experts, authors and speakers who are working their way through the KPI program. Over the last ten years he has worked with over 500 Australian and international businesses, including Porsche, Qantas, Jetstar, Jeep, Chrysler and Dodge.

Jon is also an accomplished speaker and has been featured on podcasts and presented at seminars throughout Australia. Jon was the inaugural winner of the Abundance Global Entrepreneur of the Year award in 2017.

He is a keen surfer, enjoys running up a mountain and doing callisthenics. In his spare time you'll find him walking on a slackline, juggling or mucking around on his unicycle having fun with his kids.

*"Business is challenging but it should also be fun and I love showing others how I've been able to strike that balance."*
