

ANDREW CLARK

Founder of Logistics Help, Logistics and Warehousing Expertise

Showing enterprises of all sizes how to compete with the best in the world and scale up without stress.

THE BACK STORY...

Andrew J Clark is a consultant in warehousing and logistics and the founder and Managing Director of Logistics Help. In his career, Andrew has worked with large corporate organisations including Baxter Healthcare, Pfizer, Linfox, DHL, Government agencies as well as small and medium businesses to help them achieve major improvements in the performance of their logistics operations.

Andrew founded Logistics Help to bring the expertise he gained in large corporate supply chains, to Small and Medium Enterprises. He is on a mission to help them implement high performance tactics and technology, so they can scale up without stress

Andrew has written numerous articles and posts, an eBook on the 12 Principles of High Performance Warehousing and is currently working on his first book "Logistics Help for Online Retailers" to be launched later this year.
